

# CONTENT CREATOR INTERN

*Netherlands or Indonesia*

Do you want to **inspire** people? Are you interested in **creating content**, educational videos, and short documentaries about **traveling, culture, and social projects abroad**? Keep on reading then!

## ABOUT THE FOUNDATION:

Think Volunteer embodies internationally responsible travels with a positive impact. We strive for more research, collaboration, and campaigning. We want to create more awareness and share knowledge. We focus on the following themes: social work, education, healthcare, and environmental issues. We are on our way to a sustainable solution for responsible international traveling & volunteering. Through our two projects, Think Academy & Think Charity, are we aiming to deliver real impact.

We are currently building on the **Think Volunteer Academy**: a digital platform available to future travelers and organizations offering international volunteering and internships. Think Volunteer Academy is a central place where research, information, and education can be found about traveling with a positive impact. Through the academy, travelers are prepared, trained, and coached to get the best out of their experience abroad.

**Think Charity**: Think Charity is a micro-crowdfunding platform where we provide financial project support for various themes, especially in developing countries. The charity goals relate to social work, education, healthcare, and environmental issues.
